

OGUNLEYE JADESOLA CHRISTIANA

Gillingham, Kent
07871265369 | Annachristianah19@gmail.com

PROFESSIONAL PROFILE

Compassionate and professional Healthcare Assistant with experience supporting residents and clients in care home and domiciliary care settings. Skilled in providing high-quality personal care, assisting with daily living activities, monitoring patient wellbeing, and maintaining accurate care records. Demonstrates excellent communication, teamwork, and interpersonal skills with a strong commitment to promoting dignity, independence, and person-centred care. Able to work effectively under pressure while maintaining high standards of care and professionalism.

PROFESSIONAL EXPERIENCE

Healthcare Assistant – London Care | January 2026 – Present

- Provide high-quality personal care and emotional support to clients in their homes
- Assist clients with daily living activities including bathing, dressing, feeding, and mobility support
- Monitor clients' health conditions and report concerns to senior staff where necessary
- Maintain accurate and confidential care records in line with company policies
- Promote client independence, dignity, and wellbeing at all times

Healthcare Assistant – Homecarer Limited | February 2025 – December 2025

- Delivered person-centred care to clients within domiciliary care settings
- Assisted clients with medication reminders, meal preparation, and personal hygiene
- Supported vulnerable individuals with mobility and companionship needs
- Ensured a safe, clean, and comfortable environment for service users
- Worked collaboratively with healthcare professionals and family members to support care plans

Healthcare Assistant – RBLI (Eleanor Care Home) – Bradbury House | July 2024 – December 2025

- Supported elderly residents with personal care and daily routines
- Assisted residents with feeding, dressing, toileting, and mobility assistance
- Observed and reported changes in residents' physical and emotional wellbeing
- Maintained a caring and respectful approach to ensure residents' dignity and comfort
- Followed health and safety procedures and infection control standards at all times

Healthcare Assistant – Grace Manor Care Centre | November 2023 – March 2025

- Assisted residents with personal care and everyday support needs
- Monitored residents' wellbeing and reported concerns promptly
- Helped maintain hygiene, cleanliness, and a safe care environment
- Built positive relationships with residents, relatives, and colleagues
- Supported residents in promoting independence and emotional wellbeing
